Total Cases per School Year										

**\*Locations that do not indicate cases order in the 2020-2021 school year did not receive deliveries from awarded vendor. Per General Specifications CPC, Inc. will give preference to a vendor who can deliver to all locations given that pricing and other factors remain competitive. Total cases for 2020-2021 is a minimal ordered. Total number for 2022-2023 will be greater due the increase of classrooms for the new extended program during the current school year.**

Do you have a web site that allows CPC, Inc. to place orders, log onto for printing reports, viewing account status, etc? Yes  No

\*If your answer is yes please attach a brief description of your ordering procedures.

Will you allow CPC, Inc. to split cases when ordering? Yes  No

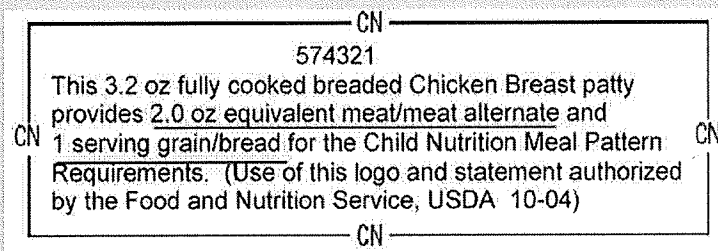

What will the additional charge be?

**How will you guarantee freshness and quality of produce?** can we include this question?

**How will you ensure product availability?** can we include this question?
